Principal's Message

BEST WISHES MRS WESTWOOD

It is with a heavy heart that on behalf of the school we say goodbye to Mrs Westwood, our beloved STEM and 3/4 teacher. Mrs Westwood has been a teacher at our school for 31 of her 35 year career with the Department. She has seen many of our students grow into young adults and then bring their own children to Cardiff North.

In the short time that I have been Principal at Cardiff North, I have known Mrs Westwood to be a sensitive and caring lady with an absolute passion for technology.

Our students absolutely adore her and the wealth of STEM knowledge she has brought to our school. She has introduced our kids to robotics, coding and even virtual reality.

Mrs Westwood has also shared her technology knowledge with staff both within Cardiff North PS and also across the country through her website.

Principal's Message Continued

Mrs Westwood will be missed by our staff for her kindness and ability to always ask how others are travelling during their school day, even when she hasn't always been well herself. It is the thoughtful nature in Mrs Westwood that as a staff we will miss the most.

I can only imagine what Mrs Westwood is feeling today as she embarks on a new and very exciting chapter in her life. Luckily for the children of the future, technology will continue to be a passion she is pursuing, as she educates future generations of teachers to explore the world of technology as only she can.

I would like to take this opportunity to thank a very special lady for the amazing contribution that she has made to education and also for being instrumental in establishing the STEM culture at Cardiff North.

So Steph, thank you for inspiring others through your love of technology and through your kind heart.

Best wishes for a wonderful retirement.

In the words of Mrs Westwood,

"Don't let your sparkle not shine."

Have a happy holiday everyone!

REPORTS

Semester 1 Reports are being sent home today. We would like to congratulate our students for their improved results.

NAIDOC CELEBRATIONS AT CNPS

We held our NAIDOC celebrations on Monday this week. Students enjoyed a fun filled day of activities and expanded their cultural awareness. We would like to thank the parents and community that came together to help support us to embed Aboriginal and Torres Strait Island culture into our school. The Parent Workshop was a very powerful session to build relationships within our school community and begin to create our very own Acknowledgement of Country.

Students were entertained by the Cardiff High School Aboriginal Dance Group and enjoyed listening to the wealth of knowledge shared by community members. Our Yarning Circle is now officially opened and we encourage you to use it as an area to have a yarn while waiting to pick your children up in the afternoon. When the weather warms up, teachers will be taking learning outdoors and utilising this area as part of their everyday lessons.

The staff verse student netball game was an exciting way to end the day and celebrate our wonderful sportsmanship at CNPS. Thank you Mrs McMurray for organising a wonderful day.

PSSA

Last week's PSSA games were cancelled due to rain affected grounds at Glendale East Public School. There are no games scheduled for this Friday.

The next games are home games against Garden Suburb Public School on Friday 26th July. (Week 1 next term)
