Principal's Message

Reminder **WELLBEING LAUNCH DAY FOR PARENTS & COMMUNITY MEMBERS** **NEXT WEEK - Thursday 15th August**

Following on from the success of our Student Wellbeing Launch Day in Term 2, we are holding a Parent and Community Wellbeing Launch Day on Thursday, August 15th. This day will be held in a similar format to our previous launch day for the students; however this time instead of the staff telling the students about our wellbeing changes, the students will be teaching you.

Our day will begin with open classrooms where you will be able to see the start of our classroom renovations and changes in learning spaces. Our students will follow their normal daily routine during this first session and you will be able to join in and help them as they learn.

After this we will move to the Hall to begin the wellbeing focus for the day. Please see the flyer attached for the order of events. All community members and students will be given a free sausage sizzle lunch and there will also be a coffee van available for adults to purchase their own coffees from 11am - 12pm. Please note that all coffees will need to be consumed in the area surrounding the coffee van in order to ensure student safety.

Opportunities like this launch day support student wellbeing by nurturing the positive and respectful relationships between students and teachers and also by fostering in our students a sense of belonging to the school and community. Please join us for a memorable day with our students.

Parent Teacher Interviews

Interviews are being held on **Monday 19th & Tuesday 20th August**. Online bookings will be opened from Thursday 8th August from 9am and information on how to book is included further in this Bulletin. Online booking may also be done via the office if you are unable to book online yourself. Remember if you are unable to meet with your child's teacher during the above times you can negotiate an alternative date that suits you both.

Have a fantastic week everyone & enjoy the sunshine!

'More than just a sport'

"We absolutely love our Sunday mornings at Nobbys Nippers. For my kids to enjoy the beach and to learn vital surf skills in a fun, entertaining and family orientated environment is priceless. I have to say, as a parent, having all the kids doing the same surf sports, at the same time in the same location each week is also very convenient"
