Principal's Message

We have come to the end of another fantastic Cardiff North year. I would like to recognise and thank our entire school community for their tremendous contribution to Cardiff North Public School in helping to make our school the special place that it is.

I would like to say farewell to those who are departing our school community; our graduating students and their families. We congratulate these students and wish them well as they commence the next stage of their learning journey. I want to thank them all for what they have brought to our school as leaders.

This year we have achieved many things at Cardiff North. Academically our NAPLAN results continue to be at or above the state in all areas. Our internal results also show that our students are fully supported to achieve their best. Our commitment to having interventionists and instructional leaders in every classroom, supporting our teachers, has paid off with impressive results for students. As a future focused school, we will continue to raise the bar academically and strive to improve the wonderful academic results our students achieve.

Our staff are fully committed to achieving the department's goals of ensuring every student, every teacher, every leader and every school improves every year. As a staff we share our strengths, ensuring that the capacity of our staff is forever growing, to make sure your students receive an excellent standard of education.

The capacity of our staff has been recognized across our region. We have had many of our staff lead professional learning opportunities for teachers in other schools. Our staff mindset is one of improving the whole public education system, not just keeping what we know for the teachers in our beautiful school, but sharing our knowledge with other learning communities.

Our staff are the best in the business and continue to never give up in their pursuit of improvement in their students. They really know your kids. I want to take this opportunity to thank all of our staff for the incredible work you do every day for the Cardiff North students and their families, often at the expense of spending time with your own families. It is very much valued and appreciated.

Continued.....

Cardiff North Public School's vision statement of being a hidden treasure where every child is known, valued and cared for encompasses what we believe are the keys to a successful education. The wellbeing of our students is the most important factor in ensuring our students thrive as learners.

Extra-curricula opportunities in areas such as Ukelele, Drumming, Singing, Dance, Drama, Debating, Environmental Education, Wellbeing and Sport are exceptional for a small school. Our Wellbeing Garden, the vision of our Year 5/6 students is a fantastic outdoor learning space that will continue to grow as each future 5/6 class contributes to the space. Our yarning circle, used for wellbeing check ins with students, has been a valuable space to build relationships between staff and students as well.

We will continue to work with our Assets department to share the costs in upgrading the classrooms and whole school environment to ensure our students have state of the art, quality, learning spaces to work in.

Our parents and wider community continue to support our school. This was very evident in the positive Tell Them from Me Survey results. Our partnerships with you are so important to us, as no one knows your child like you do. I want to thank our parents for the support you give our staff in working together for our students and I look forward to working with our parents here at Cardiff North for many years to come.

I am so proud of our school and our students and of the positive choices our school community makes to support our wonderful school. We will always strive towards excellence and continue to work together in our relentless pursuit of high expectations for our students.

As Rita Pierson, one of my favourite educators says, "Every child deserves a champion; an adult who will never give up on them, who understands the power of connection and insists that they become the best they can possibly be."

So students, staff, parents and community members of Cardiff North, continue to be a champion for our Cardiff North students and let's see them follow their dreams and be the best they can be, because the thought of what our amazing kids are able to achieve, is truly incredible.

Have a beautiful Christmas holiday season with your families and friends and stay safe.

End of Term Reward...

Despite our best efforts, we were not able to source a local organisation who could provide a bubble soccer experience at our school. With current water restrictions in place, we are also unable to organise a 'water play' experience for students. We are, however, able to provide free play on the oval for all eligible students. This was one of our three options students voted for last term. Please see below for a sneak peek of some of the exciting free play activities that will be provided.

**No more
than one
day in the
SOS room for
a negative
incident**

**No more
than one
day sent to
buddy class
for a
negative
incident**

WHOLE SCHOOL FREE PLAY

Enjoy some free play on the oval with lots of games, obstacles and fun!
