**Privacy Advice**

The information provided on this form is being obtained for the purpose of ascertaining relevant medical information, requirements and other health care related needs about your child who may participate in excursions, sporting activities or other educational or school activities conducted by or in conjunction with your school.

The information will be used by officers of the NSW Department of Education and Training to assist planning, to support students, and to minimise risks when conducting school excursions, sporting or other school activities.

Other persons or agencies that may be provided with information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity; and persons that may be called upon to provide health care treatment or other assistance during or as a consequence of such excursions or activities.

Provision of this information is not required by law. However, a failure to provide the information may mean that your child can not participate in a particular excursion or school activity. In such circumstances the school will make available an alternative educational experience.

Provision of the information will significantly assist the school in planning a safer educational activity.

This information will be stored securely. If you have any concerns about provision of this information, please contact the school principal to discuss further. You may correct any personal information at any time by contacting the school office.

**Important Note:**

When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the excursion, parents are responsible for:

- Bringing this need to the attention of the school
- Ensuring that the information is updated if it changes
- Supplying the medication and any 'consumables' necessary for its administration in a timely way. The medication should be well within its expiry date.
- Collaborating with the school in working out arrangements for the supply and administration of the prescribed medication for the duration of the excursion. For some excursions the school will ask you to supply the medication in different way to what has been already agreed to by the school. You may be asked to supply an additional adrenaline autoinjector (i.e. EpiPen® /Anapen®) for example
